

NEHS/NJHS Member Obligations

To maintain this status, student members are expected to fulfill all of the obligations laid out for them by the chapter leaders (adviser, Faculty Council, principal, and in some cases the chapter officers). Active members who are not fulfilling their obligations may be declared “not in good standing” or “on probation.” The Faculty Council can provide a plan to students who are declared “not in good standing” that includes a reasonable timeline for completion for restoring them to full, active membership status. Such a plan is an essential response to any disciplinary case handled in the chapter.

1. All members must be inducted at a special ceremony to become active members of the chapter. One remains a “successfully selected candidate” (i.e., not a member) until this ceremony takes place.
2. Once selected and inducted, all members are expected to maintain the standards by which they were selected.
3. Members must attend all scheduled meetings unless discussion has been held with the Chapter Adviser.
4. All members shall regularly participate in projects planned for the chapter. These projects shall have the following characteristics: Fulfill a need within the chapter, school or community; have the support of the administration and the faculty; be appropriate and educationally defensible; be age-appropriate, well planned, organized, and implemented.
5. Members are required to perform an additional individual service project according to their own talents and interests. This project needs the approval of the chapter adviser by December 16th. Individual projects must be completed, with a brief summary, by March 30th.
6. Members are required to pay annual dues (\$10.00) by December 17th. Dues can be paid in cash, check (made out to Esmond Station), or by tax credit (Online or through a form-Please notify an adviser if you are paying by tax credit online)

I have read through all the member obligations and understand what is expected of me. I will fulfill all of the member obligations by the dates specified in the above letter. I understand if I do not fulfill the obligations I may be declared “not in good standing”, “on probation” or be dismissed as a NEHS or NJHS member if I do not complete my membership obligations by the Faculty Council.

Please return this completed form no later than December 16, 2015.
